Free ATS Resume Analysis Process

How Our Free Resume Checker Works

Our AI-powered resume scanner analyzes your CV like top ATS systems and recruiters

1. Upload Your Resume

Upload your resume in PDF, DOCX, or TXT format. Our resume checker works with all formats.

2. ATS Compatibility Analysis

Our AI scanner checks your CV for ATS compatibility, keyword optimization, and formatting issues.

3. Get Your Resume Score

Receive detailed feedback with your resume score and actionable tips to improve your CV.

New Feature

Build Your Perfect Resume in Minutes

Don't just check your resume — create one from scratch with our free drag-and-drop builder. Choose from professional templates, customize every detail, and export a polished PDF instantly.

3 Professional Templates

Choose from Modern, Classic, or Creative layouts — each designed to pass ATS systems and impress recruiters.

Drag & Drop Editor

Reorder sections, add experiences, skills, and projects with an intuitive editor. See changes instantly in real-time.

Full Customization

Adjust colors, fonts, spacing, and layout. Your resume, your style — export as a pixel-perfect PDF when ready.

Common Questions

Frequently Asked Questions

Everything you need to know about our free resume checker

Is the resume checker really free?

Yes, our resume checker is completely free with no hidden costs or subscription required. You can analyze unlimited resumes.

How accurate is the ATS compatibility check?

Our ATS scanner uses the same parsing techniques as major applicant tracking systems, providing 95%+ accuracy in compatibility assessment.

What file formats does the resume checker support?

We support PDF, DOCX, and TXT formats. PDF is recommended for best ATS compatibility results.

How long does the resume analysis take?

Our AI-powered resume scanner analyzes your CV in under 30 seconds and provides instant results.

Do you store my resume data?

We respect your privacy. Uploaded resumes are processed securely and not stored on our servers after analysis.

What makes your resume checker different?

Our tool provides industry-specific feedback, detailed ATS compatibility reports, and actionable improvement suggestions - all for free.

Do you have a free resume builder?

Yes! Our free Resume Builder lets you create professional resumes from scratch with 3 ATS-friendly templates, drag-and-drop sections, full customization, and instant PDF download — no signup needed.

How often should I check my resume?

We recommend checking your resume whenever you apply for a new role or every 3-6 months if actively job searching.
